Greetings friends and fellow shooters:

As you know, the Atlantic Championships are just around the corner. Where has the time gone!? This year is unusual in that the Atlantic Championships will not be held on the Labour Day weekend but rather, on the weekend following - September 9 and 10, 2017. This decision was made at the Atlantic High-power meeting of October 16, 2016. Because this event will run over 2 days, some changes are necessary so that we can complete our shooting in time for awards and travelling back at a reasonable hour.

The Atlantic Championships this year are hosted by the RNBRA Fullbore Section and the Club de Tire Saint Antoine in Saint Anthony with Ron Surette as Match Director. He is very busy readying the Saint Antoine ranges for our enjoyment. We extend our deep thanks for all he is doing for us. You will see that he has been a busy man with all the changes that have occurred. We will have a full-time RO (Dollard Leblanc) and will use the electronic marking system produced by Silver Mountain Targets.

You are cordially invited to come and shoot at this year's Atlantic Championships. (I'm sure I'm not up-to-date on everyone's e-mail address so please let your fellow shooters know of this and share this e-mail with them).

Registration on Day 1 will be at the Club House between 8:00am and 9:30am. Late comers will be flogged with a wet noodle.

Start time on DAY 1 is 10:00am - get ready on the 300m firing point. Opening remarks, announcements, e-target briefing and the safety briefing will take place before shooting commences.

We are not as yet certain to have a lunch available on the range and may have to allow time for people to go to the restaurant in Saint Antoine.

There will be a Banquet at the restaurant in Saint Antoine after shooting is completed on Day 1 - approximately at 6:00pm.

Start time on Day 2 is 8:00am

The system uses display panels at the firing line. Shooters should bring their own iPad, Smartphone (WiFi compatible). Help will be available to get your devices set up and during the match, assistance will be available should display problems arise.

Squadding will be 2 or 3 shooters per target. Squadding/target assignment will be done randomly by class and at the discretion of the Match Director.

Only 2 relays are planned to be fired at each distance. If the attendance is greater than expected and a third relay is needed; the anticipated time schedule below will need to be adjusted and our projections go out the window!

ALL DCRA SAFETY PROTOCOLS WILL BE OBSERVED

- i. Except when shooting, all rifles will have a chamber flag inserted into the breach OR MUST have the bolt removed.
- ii. Rifles may be moved to the firing point only with the Range Officer's permission.
- iii. Prior to removing a rifle from the firing point it must be cleared by your shooting partner and then by the Range Safety Officer.

There will be three classes of shooting - *TR*, *FTR* and *F-OPEN*. Prizes will be awarded if there are at least three entries in a class.

For most matches, ties will be broken by:

- a) highest score at longer ranges,
- b) count back of shots on score starting with the last shot fired,
- c) highest number of converted sighters.

Water will be provided at the range.

You will need 120 rounds for sighters and counting shots

At the first match of Day 1 only, practice shots will be allowed until you are on paper. After that only 2 sighter shots and the shots on record will be allowed.

Both F-Classes will shoot on the DCRA F-Class target (1/2 MOA center). The e-target system will be automatically adjusted for this.

At the 300m range, all shooters must raise their elevation 2MOA so that the sighting center is not shot out. Normal elevations will be applied at the 500m and 600m ranges.

DAY 1 - Saturday September 9, 2017 - start time is 10:00am

10:00am - Welcome & RO briefing at 300m

10:15 - shoot 2+10 at 300m; repeat 2+10 at 300m

Approx. 12:30 - 1:30 - Lunch

1:45pm - 2+10 at 500m once

Approx 2:30pm - 2+10 at 600m; repeat 2+10 at 600m

6:00pm - Banquet at Restaurant (off menu)

DAY 2 - Sunday, September 10, 2017 - start time is 8:00am

8:00am - Announcements & RO refresher

8:15 - 2+10 at 300m; repeat 2+10 at 300m

10:30am - 2+10 at 500m

Approx. 12:00 - 1:00 lunch

Approx. 1:15 - 2+10 at 600m; repeat 2+10 at 600m

Award presentation at Club House, closing remarks

Take down of range (RNBRA Fullbore Members)

Best Regards,

Bert deVink,

RNBRA Fullbore Chairman

Additional notes about meals:

Ron Surette has secured a room at the "Paysan" restaurant for our "off the range Banquet" on the evening of September 9th. The room holds around 40 people, so that should be enough room.

Regarding "Lunches at the range" - we suggest that everyone bring their own. The range has a microwave in the clubhouse and a fridge if someone wants to put something in there. Also, there are renovations at the Tim Horton's (due to a fire) and it is not certain that the Tim Horton's in St. Antoine will be open by the time of the match. The next closest shop would be the Tim's in Bouctouche. Of course, the Irving also makes some pretty good coffee for those in need of a caffeine fix. Also, if anyone doesn't

bring a lunch, I'm sure the Paysan would accommodate 'take-out' orders. We can call in orders and bring it back to the club to eat. Might save time there too. This is probably a good choice for those who have not brought anything.

Crazy wind changes today, strong head on wind with 2 min gusts from the left and right (or both at once?)
At least it did keep the bugs down. Great turn out for the first shoot!!

Not sure what to say about the wind changes we had today. Mostly fish tail from 5 o'clock switching to 7 o'clock and back. Easy 2min change in the high custs, with lots of shots ending up in the outer 4 ring or mag pie.
